

CAMARENA MAKERSPACE WISHLIST

Camarena is excited to announce the start of its very own Makerspace. A Makerspace is a unique learning environment where your child will engage in Science, Technology, Engineering, Art and Math! We need your help in supplying and building up our Makerspace. Below are some basic supplies that will help us get started. You can drop them off in the MPR room. Any questions you have can be directed to

Ms. Lidstone in Room 304
or lee.lidstone@cvesd.org
