

IMMERSE YOUR CHILD IN A CULTURE OF BELONGING.

The new LYFE After School Program in Chula Vista.

LYFE is a non-custodial three-hour after school program that takes place right on your child’s school campus. Each of our instructors are CPR-certified with years of experience, and activities are structured to build important life skills. Each group features a ratio of 1 staff to 20 students.

Every moment is valuable in a child’s day-to-day.

HELP YOUR CHILD DEVELOP SKILLS THAT WILL LAST A LIFETIME WITH LYFE.

After school programs should be about more than just childcare. Our LYFE program empowers students by building positive and strong relationships, nurturing their developmental needs, and guiding them to realize and grow their own strengths through social and emotional learning activities.
