

Military Month of the Child

To celebrate our students who have family members and/or friends that serve in the military – tag us on our Twitter @CamElementary and we will retweet for everyone to see. Here are some ideas below:

Sing a Patriotic Song you learned this year.

- You're a Grand Ole Flag
- America the Beautiful
- God Bless America
- My Country Tis of Thee

Write a "Thank You" letter or poem and record yourself reading it.

Share a poster or artwork that shows your support for our military, health care workers, grocery store workers, etc.
