

5TH GRADE WEEK 1 SCHEDULE

240 total minutes (4 hours) to include:

- **Synchronous:** Live daily instruction, whole, small groups, and one on one sessions with the teacher
- **Asynchronous:** activities through websites, paper and pencil work, or pre-recorded video instruction

Please note that the first week of school daily live interaction with teachers will be no more than 2 hours and those hours may consist of whole group, small group and individual connections. It is not an expectation at Camarena that all students will be on a computer screen live with the teacher for 2 solid hours. However, students are expected to have independent work to meet the state mandated grade level minutes.
