Re: Parent Survey 2021, Re-Opening School: In-Person Hybrid/Distance Learning

Dear Parents and Guardians:

Camarena Elementary School and the Chula Vista Elementary School District (CVESD) continue to prepare for an eventual return to schools. In order to make the best decisions possible, we encourage all families to complete the **Parent Survey no later than Monday, January 25.**

When we re-open schools, all families who wish to remain at home with Distance Learning, or send students to school, will have the option to do so. Please know we will make every effort to accommodate the needs of our families.

For general information and answers to frequently asked questions regarding CVESD's plan to re-open schools, visit Frequently Asked Questions linked on the survey. Your **Parent Survey** information is extremely important to us and will be used as we make decisions regarding a safe return to school.

For specific information about Camarena's plan to re-open school, please join attend the Parent/Guardian Forum:
