February 10, 2021

Dear Parents/Guardians of Transitional Kindergarteners:

The 2021-2022 school year is just around the corner. The information below will help guide you with your child's Kindergarten placement.

- A. **If your child is currently attending TK at your neighborhood school** and you want your child to continue in your neighborhood/home school for Kindergarten in 2021-2022, **you do not need to re-register**. Your child will automatically move up to Kindergarten at your neighborhood/home school.
- B. **If your child is currently attending TK at a school that is not your neighborhood school**, and you want him/her to attend Kindergarten at your neighborhood/home school in 2021-2022, **you must register at your neighborhood school**. Please contact your neighborhood school office for further details, especially if you are interested in the Dual Language Immersion (DLI) Program.
- C. **If your child is not currently attending your neighborhood school** and you want your child to continue in the school where he/she is, **you must first enroll at your neighborhood school, and then complete a new Zone Transfer (ZT) Application**. Please contact your neighborhood/home school office for further details.

Registration for the 2021-2022 school year begins March 3, 2021. To register your child, please visit our website at [www.cvesd.org](http://www.cvesd.org) and click on the pink Enrollment link. You will need your child's birth certificate, updated immunization record, one current proof of residency and your photo identification ready to upload during the process. Please contact your neighborhood school if you have questions regarding the registration process.

We look forward to teaching and learning with your Kindergartener next year.

Sincerely,

Rita Palet
